

**DO YOU HAVE QUESTIONS
FOR GOD?**

**ARE YOU THERE?
WHY ARE WE HERE?
WHAT IS LIFE ALL ABOUT?**

Do you have questions about the Christian faith? Maybe you've had a bad experience with church or "religion" in the past. Maybe you've been going to church for years but have lingering questions or doubts. Maybe you just want to better understand what Christianity is all about.

In a seven-week conversational study, Faith Explored gives you time to think about the big questions of life, and to explore the life of the person at the heart of the Christian faith - Jesus Christ.

The environment is informal and relaxed. We begin each week with dinner for participants and their children. You don't need to know anything about the Bible. You won't be asked to read aloud, sing or pray. And you can ask any question you want.

From past participants...

"I loved taking this course! I came in a somewhat rocky time in my life and really was searching for my purpose and for answers to many questions... Coming to the course opened a whole new interest in my learning more about Jesus and Christianity."

"I want you to know how grateful I am for such an educational and inspiring experience for me. Everyone is so kind and the atmosphere is fantastic. It keeps my interest the whole time and keeps me coming back..."

"I really like how "Faith Explored" is meant to be a non-judgmental and non-threatening way of exploring Christianity, which is what brought me here."

"This was helpful even for a long-time Christian. The question and answer time and the discussions were most illuminating for me. Also, the diversity of the group was great."

"I was definitely not expecting such a bountiful meal! I would come every week just for that!It also helps to have so many different points of view in the room. I get the feeling that this class will help me get some sense of direction as far as developing my faith goes."
